

Mileham W I.

The W I was suspended from March 2020 due to the pandemic. During the time we could not meet, contact was maintained with members via e-mail. It was unanimously decided that we would like to change to an afternoon meeting in the Village Hall, same third Tuesday of the month, but now at 2.30pm. This change was approved by the County Executive and we eventually met again in September 2021 for "Healthy Steps" exercises to music. Since then we have continued with interesting speakers and an increasing membership, at present 18. In February this year we celebrated our 67th. Anniversary.

Judy Ryder Secretary.
