

MILEHAM RECREATION GROUND

2021 REPORT

The assets of this charity comprise the 3 acre playing field and a bank ac of £264.

The playing field is and has been for many years insured with Zurich Insurance.

The only trustee in this year was M. C. Butler-Stoney.

The trustee thanks Mileham Parish Council for arranging mowing of the field regularly and Mr T. Butler Stoney for annual hedge-trimming.

The play equipment remains in good order (except a table removed for repair) but as it was all installed in 2014 rising repair costs are expected in 2022 and thereafter.
